In a magical confrontation against Mornhavon, Karigan is jolted out of Blackveil Forest and wakes in darkness. She's lying on smooth, cold stone, but as she reaches out, she realizes that the stone is not just beneath her, but above and around her as well. She's landed in a sealed stone sarcophagus, some unknown tomb, and the air is becoming thin. Is this to be her end? If she escapes, where will she find herself? Is she still in the world she remembers, or has the magical explosion transported her somewhere completely different? To find out, she must first win free of her prison— before it becomes her grave. And should she succeed, will she be walking straight into a trap created by Mornhavon himself?

Magic, danger, and adventure abound for messenger Karigan G'ladheon in author Kristen Britain's New York Times-bestselling Green Rider fantasy series • "First-rate fantasy." —Library Journal On her long journey home from school after a fight that will surely lead to her expulsion, Karigan G'ladheon ponders her uncertain future. As she trudges through the immense Green Cloak forest, her thoughts are interrupted by the clattering of hooves, as a galloping horse bursts from the woods. The rider is slumped over his mount's neck, impaled by two black-shafted arrows. As the young man lies dying on the road, he tells Karigan he is a Green Rider, one of the legendary messengers of the king of Sacoridia. Before he dies, he begs Karigan to deliver the "life and death" message he bears to King Zachary. When she reluctantly he agrees, he makes her swear on his sword to complete his mission, whispering with his dying breath, "Beware the shadow man...". Taking on the golden-winged horse brooch that is the symbol of the Green Riders, Karigan is swept into a world of deadly danger and complex magic, her life forever changed. Compelled by forces she cannot understand, Karigan is accompanied by the silent specter of the fallen messenger and hounded by dark beings bent on seeing that the message, and its reluctant carrier, never reach their destination.

Magic, danger, and adventure abound for messenger Karigan G'ladheon in author Kristen Britain's New York Times-bestselling Green Rider fantasy series • "First-rate fantasy." —Library Journal Karigan G'ladheon was once a Green Rider, one of the king of Sacoridia's elite magical messengers. In the messenger service, she was caught up in a world of deadly danger, and though she defeated the rogue Eletian who cracked the magical D'Yer Wall—which had protected Sacoridia for a thousand years from the dark influence of Blackveil Forest, and Mornhavon the Black's evil spirit imprisoned within it—she had nonetheless been tainted by his wild magic. Exhausted in body and spirit, and determined to take control of her own destiny, Karigan returned to her home in Corsa. But even Karigan's stubborn determination is no match for the Rider's call. Ghostly hoofbeats echo in the deep regions of her mind. When she awakes to find herself on horseback, halfway to Sacor City in her nightgown, she finally gives in. Karigan returns to the court, only to find the Green

Riders weakened and diminished. Rider magic has become unreliable, and she herself has ghostly visions of Lil Ambriodhe, First Rider, and founder of the Green Rider corps. But why is the First Rider appearing to Karigan? And will Karigan be able to seek the help of a woman who has been dead for a thousand years?

Magic, danger, and adventure abound for messenger Karigan G'ladheon in the sixth book in Kristen Britain's New York Times-bestselling Green Rider epic fantasy series. Zachary Davriel Hillander, High King of Sacordia, rues how much he has had to give up to lead his realm, including the freedom to live and love as he chooses. When an embassy from Eletia arrives to propose a joint venture between their realms to seek out an old ally in the north, he is dismayed to learn that the one Sacordian they have in mind to accompany their guide is the woman he truly loves but cannot have: Green Rider Karigan G'ladheon. Karigan has only just returned from a dark future where Sacordia has been conquered and is ruled by a despotic emperor, and she has not recovered in heart or mind. As if that is not enough, the castle ghosts won't leave her alone. Though Zachary is loath to part from her so soon after her return, he knows she is the best choice to undertake the mission to the north. Each step on their journey places Karigan and her companions closer to enemy territory and danger, for northward lie the forces of Second Empire, Sacordia's longtime foe, and Grandmother, the necromantic leader of Second Empire, has not been idle. She uses her magic to summon a wild elemental spirit to wreak havoc upon Zachary and his wife, Queen Estora. At first the Sacordians succeed in fending off the creature, but it so covets Estora that it can't stay away. It abducts Zachary, assuming his form and his place at Estora's side—but when it is finally ousted, Zachary is still missing. Estora, alone and heavy with twins, must prepare her realm for the coming conflict from the confines of her bedchamber. Meanwhile, the danger only deepens for Karigan and her companions as they journey north. When she finds herself caught in the midst of a clash between forces, Karigan must rescue and protect her king before she falls into a trap set by Grandmother—a trap that could give Second Empire the power to control the dead and all the demons of the hells.

Magic, danger, and adventure abound for messenger Karigan G'ladheon in author Kristen Britain's New York Times-bestselling Green Rider fantasy series • "First-rate fantasy." —Library Journal Over a millennium ago, Mornhavon the Black, heir to the Arcosian Empire, crossed the great sea hoping to conquer Sacordia. Mornhavon and his armies were defeated—but not before their general had resorted to desperate, dark magic that rendered his twisted spirit immortal. Finally, Mornhavon was captured and imprisoned in Blackveil Forest, and the forest's perimeter was sealed by the magical D'Yer Wall. In the many centuries since, knowledge of magic has disappeared from Sacordia due to the fear and prejudice of a people traumatized by the memory of Mornhavon's terrifying sorceries. Even the protective magic that created and maintained the D'Yer Wall has been lost, and the once-impermeable barrier has been breached, allowing Blackveil's malignant influence to seep into the lands beyond once again. Karigan G'ladheon is a Green Rider—a seasoned member of the elite messenger corps of King Zachary of Sacordia. But Karigan is no ordinary Rider, for she can traverse the barriers of time and space. Because of this extraordinary ability, she was able to transport the spirit of Mornhavon into the future, buying precious time for her country. During the window of relative safety, King Zachary decides to send Karigan and a small contingent of scouts, accompanied by a small group of Eletians—a magical race who once lived in the lands now tainted by Mornhavon's magic—into Blackveil Forest. Though Mornhavon is gone, the forest is still a treacherous and unnatural place filled with monstrous creatures and deadly traps. Plus, no one knows how far in the future Mornhavon has been sent—Ten years? One? Maybe even less. And unbeknownst to the band of Eletians and Sacordians, another small group has entered the forest—Arcosian descendants who have kept Mornhavon's dark magic alive in secret for centuries, and who now plan to avenge their long-ago defeat by bringing Sacordia to its knees.

Magic, danger, and adventure abound for messenger Karigan G'ladheon in the third book in Kristen Britain's New York Times-bestselling Green Rider fantasy series • "First-rate fantasy." —Library Journal More than a thousand years ago, the armies of the Arcosian Empire, led by sorcerer Mornhavon the Black, crossed the great sea and tried to conquer the land of Sacordia using terrible dark magic. Eventually, Mornhavon was captured, and his evil spirit imprisoned in Blackveil Forest. Since that day, the perimeter of Blackveil—now a dark and twisted land—has been protected by the magical D'Yer Wall. But in the centuries since the war's end, knowledge of the working of magic disappeared from Sacordia, due to the fear and prejudice of a people traumatized by Mornhavon's sorceries. Karigan G'ladheon is now a seasoned Green Rider—a member of the magical messenger corps of the king. But during her first year as a Rider, a rogue magician cracked the mighty D'Yer Wall. The spirit of Mornhavon, sensing the weakness, began to wake, seeking vengeance, and causing frightening aberrations throughout the land. Karigan managed to transport the spirit of Mornhavon into the future, buying valuable time for her king and country. But how far in the future is Mornhavon now? A hundred years? Ten? Only one year? There is no way to tell. And though Karigan and her fellow Riders have scoured the land searching for lost magical knowledge, and members of Clan D'Yer are camped at the wall, hoping to uncover its lost secrets, they were unaware of a threat to their kingdom that lay far closer. For there were Arcosian soldiers who survived the Long War, and the descendants of those ancient enemies spent generations honing their powers of dark magic—a force against which the Sacordians have no defense....

A dark lord will rise. Such is the prophecy that dogs Ringil Eskiath—Gil, for short—a washed-up mercenary and onetime war hero whose cynicism is surpassed only by the speed of his sword. Gil is estranged from his aristocratic family, but when his mother enlists his help in freeing a cousin sold into slavery, Gil sets out to track her down. But it soon becomes apparent that more is at stake than the fate of one young woman. Grim sorceries are awakening in the land. Some speak in whispers of the return of the Aldrain, a race of widely feared, cruel yet beautiful demons. Now Gil and two old comrades are all that stand in the way of a prophecy whose fulfillment will drown an entire world in blood. But with heroes like these, the cure is likely to be worse than the disease.
