When it comes to

File Type PDF

One Minute

mentoring, women face more barriers than men. Here's how men can help change that. Increasingly, new employees and junior members of any profession are encouraged--sometimes stridently--to "find a mentor!" Four decades of research reveals that the effects of mentorship

File Type PDF

One Minute

can be profound and enduring; strong mentoring relationships have the capacity to transform individuals and entire organizations. But the mentoring landscape is unequal. Evidence consistently shows that women face more barriers in securing mentorships than men, and when they

File Type PDF

One Minute

do find a mentor, they may reap a narrow range of both professional and psychological benefits. Athena Rising is a book for men about how to eliminate this problem by mentoring women deliberately and effectively. Traditional notions of mentoring are modeled on male-

File Type PDF

One Minute

to-male relationships, yet women often report a desire for mentoring that addresses their interpersonal needs. Women want mentors who not only understand this, but truly honor it.
