The ninth edition of Richard T. Schaefer's Sociology: A Brief Introduction provides students with a comprehensive, up-to-date presentation of sociology. Students learn to think critically about society and their own lives from a wide range of classical and contemporary perspectives. Combining balanced coverage of theory with current research findings, examples that students can relate to, and abundant learning aids and exercises, the new edition continues to encourage the development of sociological imagination. New to the edition is the inclusion of an adaptive diagnostic tool and interactivities to help students master key concepts.

Overview: The ninth edition of Richard T. Schaefer's Sociology: A Brief Introduction provides students with a comprehensive, up-to-date presentation of sociology. Students learn to think critically about society and their own lives from a wide range of classical and contemporary perspectives. Combining balanced coverage of theory with current research findings, examples that students can relate to, and abundant learning aids and exercises, the new edition continues to encourage the development of sociological imagination. New to the edition is the inclusion of an adaptive diagnostic tool and interactivities to help students master key concepts.

Like its predecessors, the tenth edition of this text reflects Rick Schaefer's mission to bring readers a comprehensive, up-to-date presentation that teaches them how to think critically about society and their own lives from a wide range of classical and contemporary perspectives. Combining balanced

coverage of theory with current research findings, distinctive social policy sections, examples of interest to students, and abundant learning aids and exercises, this text will help students develop a sociological imagination. "The introductory sociology class provides the ideal laboratory in which to study our own society and those of our global neighbors. The distinctive emphasis on social policy found in this text shows students how to use the sociological imagination in examining such public policy issues as sexual harassment, the AIDS crisis, welfare reform, the death penalty, and privacy and censorship in an electronic age." Richard T. Schaefer

Three basic premises guide this highly successful introductory text - first that theory and research must be both comprehensive and clear, second that the text must show how sociology is relevant both to the study of society and to students' lives and third that sociology can play a valuable role in teaching critical thinking skills. To that end, this solid, well respected text combines a balanced three-perspective approach with excellent student oriented examples, and distinctive social policy sections in a concise presentation that offers an alternative to full length books.

Extraordinary Groups has had a storied history of excellence over multiple editions. Now available from Waveland Press at the start of its fifth decade of availability, its interdisciplinary approach to groups engaged in unconventional lifestyles makes it a popular textbook choice in hundreds of college courses across the social sciences, including anthropology, religion, history, and psychology. Written by sociologists, using and illustrating sociological principles, the book is appealing because it is descriptive and explanatory rather than analytical. Descriptions of the groups are interwoven with basic sociological concepts, but systematic analysis and inductive reasoning are left to the discretion of the instructor. Extraordinary Groups is a compelling overview of the broad tapestry of social life that constitutes the United States. The illustrated, full-featured Ninth Edition includes a glossary and end-of-chapter key terms, sources on the Web, and selected readings.

Like its predecessors, the new Ninth Edition of Extraordinary Groups introduces students to some of the most fascinating subcultures in U.S. history, vividly portraying the lifestyles of their members and emphasizing the sociological principles they illustrate. By exploring different cultures, this unique, insightful work continues to broaden students' sociological perspective, and allows them to see their own culture in a new light.

Three basic premises guide this highly successful introductory text - first that theory and research must be both comprehensive and clear, second that the text must show how sociology is relevant both to the study of society and to students' lives, and third that sociology can play a valuable role in teaching critical thinking skills. To that end, this solid, well-respected text combines a balanced three-perspective approach with excellent student-oriented examples, and distinctive social policy sections in a concise presentation that offers an alternative to full-length books.

**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Helps students understand and analyze race and ethnic issues Racial and Ethnic Diversity in the USA applies contemporary theories to race and ethnic relations. The text explores issues inherent in race and ethnicity and then applies these issues to the four largest minority ethnic groups in the U.S. This foundation will enable readers to discuss how diversity will change in the future. MySocLab is an integral part of the Schaefer program. Engaging activities and assessments provide a teaching and learning system that helps students discover sociology in their lives. With MySocLab, students can watch videos on sociological core concepts, explore real-world sociology through the new Social Explorer, and develop critical thinking skills through writing. 0205949797 / 9780205949793 Racial and Ethnic Diversity in the USA Plus NEW MySocLab with eText -- Access Card Package Package consists of: 0205181880 / 9780205181889 Racial and Ethnic Diversity in the USA 0205206530 / 9780205206537 NEW MySocLab with Pearson eText -- Valuepack Access Card

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Understand the Changing Dynamics of the U.S. Population The 13th edition of Schaefer's Racial and Ethnic Groups places current and ethnic relations in a socio-historical context to help readers understand the past and shape the future. This best-selling Race & Ethnic Relations text is grounded in a socio-historical perspective with engaging stories and first person accounts. Race and Ethnic Groups helps students understand the changing dynamics of the U.S. population by examining our history, exploring our current situation, and discussing concerns for the future. This text provides an accessible, comprehensive, and up-to-date introduction to the present issues that confront racial and ethnic groups in the U.S. and around the world. It incorporates the most current statistics and data in the marketplace including the most recent census. Teaching & Learning Experience Personalize Learning -- The new MySocLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking -- Robust end-of-chapter materials provide students with chapter summary and study materials that help them develop critical thinking skills. Engage Students -- Every chapter contains first-hand commentaries that demonstrate the diversity of various groups. Explore Research -- Research intertwined with information on current events and demographics provide a modern view of our society. Understand Diversity -- Detailed coverage of multiple racial, ethnic, and other minority groups provide students with an extensive view of diverse relations. Support Instructors -- Strong supplements package with author-reviewed activities and assessments in MySocLab. Note: MySocLab does not come automatically packaged with this text.
