35 reproducible exercises in each guide reinforce basic reading and comprehension skills as they teach higher order critical thinking skills and literary appreciation. Teaching suggestions, background notes, act-by-act summaries, and answer keys included.

The Tempest is a play by William Shakespeare, probably written in 1610-1611, and thought to be one of the last plays that Shakespeare wrote alone. After the first scene, which takes place on a ship at sea during a tempest, the rest of the story is set on a remote island, where the sorcerer Prospero, a complex and contradictory character, lives with his daughter Miranda, and his two servants-Caliban, a savage monster figure, and Ariel, an airy spirit. The play contains music and songs that evoke the spirit of enchantment on the island. It explores many themes, including magic, betrayal, revenge, and family. In Act IV, a wedding masque serves as a play-within-the play, and contributes spectacle, allegory, and elevated language.

A Study Guide for William Shakespeare's "The Tempest," excerpted from Gale's acclaimed Shakespeare for Students.This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Shakespeare for Students for all of your research needs.

NEW YORK TIMES BESTSELLER • The beloved author of The Handmaid ' s Tale reimagines Shakespeare ' s final, great play, The Tempest, in a gripping and emotionally rich novel of passion and revenge. " A marvel of gorgeous yet economical prose, in the service of a story that ' s utterly heartbreaking yet pierced by humor, with a plot that retains considerable subtlety even as the original ' s back story falls neatly into place. " —The New York Times Book Review Felix is at the top of his game as artistic director of the Makeshiweg Theatre Festival. Now he ' s staging a Tempest like no other: not only will it boost his reputation, but it will also heal emotional wounds. Or that was the plan. Instead, after an act of unforeseen treachery, Felix is living in exile in a backwoods hovel, haunted by memories of his beloved lost daughter, Miranda. And also brewing revenge, which, after twelve years, arrives in the shape of a theatre course at a nearby prison. Margaret Atwood ' s novel take on Shakespeare ' s play of enchantment, retribution, and second chances leads us on an interactive, illusion-ridden journey filled with new surprises and wonders of its own. Praise for Hag-Seed " What makes the book thrilling, and hugely pleasurable, is how closely Atwood hews to Shakespeare even as she casts her own potent charms, rap-composition included. . . . Part Shakespeare, part Atwood, Hag-Seed is a most delicate monster—and that ' s ' delicate ' in the 17th-century sense. It ' s delightful. " —Boston Globe " Atwood has designed an ingenious doubling of the plot of The Tempest: Felix, the usurped director, finds himself cast by circumstances as a real-life version of Prospero, the usurped Duke. If you know the play well, these echoes grow stronger when Felix decides to exact his revenge by conjuring up a new version of The Tempest designed to overwhelm his enemies. " —Washington Post " A funny and heartwarming tale of revenge and redemption . . . Hag-Seed is a remarkable contribution to the canon. " —Bustle
